Why choose us

The first thing customers see under the reg box: a bold panel explaining why they can trust Motoring Central.

Why choose us panel on the home page

Top of the home page with the trust strip

What is built

- Headline: Car care you can actually trust
- Six reasons: checked local experts, fixed price first, real people not robots, you choose who, pay securely, everything in one place
- Trust strip under the reg box: ID and insurance checked, fixed price, real UK team
- Buttons to meet the team and request a call back
- Honest headline figures (no made-up ratings or job counts)

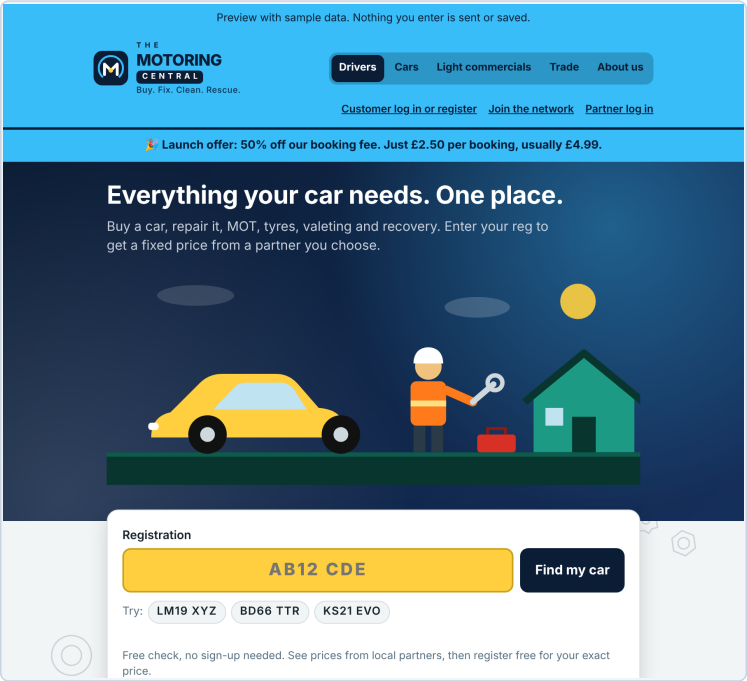

What it does

- Answers the first question new visitors ask: can I trust this?
- Reassures that real people, not AI, are behind the site
- Leads straight into the free reg check

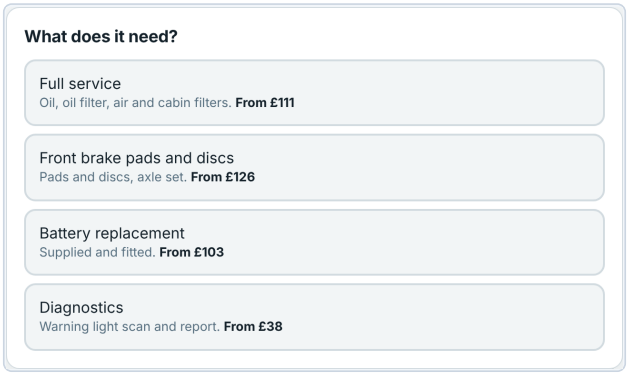

PROOFREADING NOTES

Free reg check and "from" prices

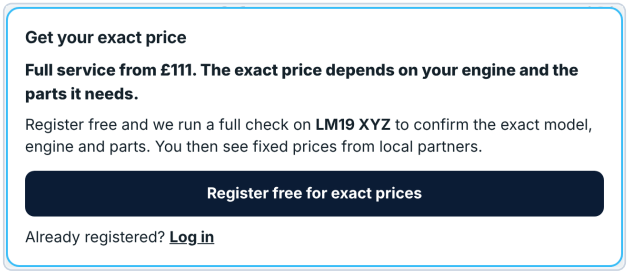

Drivers enter their registration and instantly see their car and starting prices for every service, with no sign-up. This brings people in and shows them the network straight away.

Home page with reg entry

Services with "from" prices

Prompt to register for the exact price

What is built

- Free basic check: make, year, fuel, engine size, colour and MOT date
- Choose how: mobile mechanic, garage, auto electrician, recovery, mobile tyres or valet
- Every service shows a "from" price before sign-up
- Tapping a service asks the driver to register free for the exact price
- Sample regs to try: LM19 XYZ, BD66 TTR, KS21 EVO

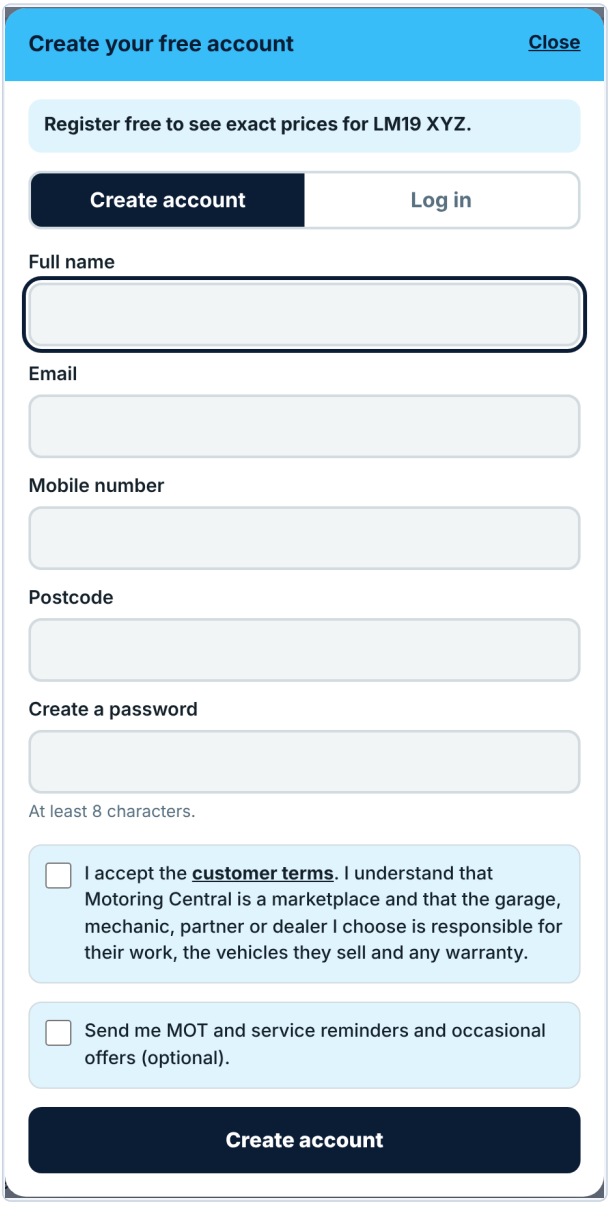

Why it matters for partners

- Low-effort entry point attracts more drivers to the platform
- Drivers see prices up front, so enquiries arrive ready to book
- Your own rates are what customers see, never undercut by us

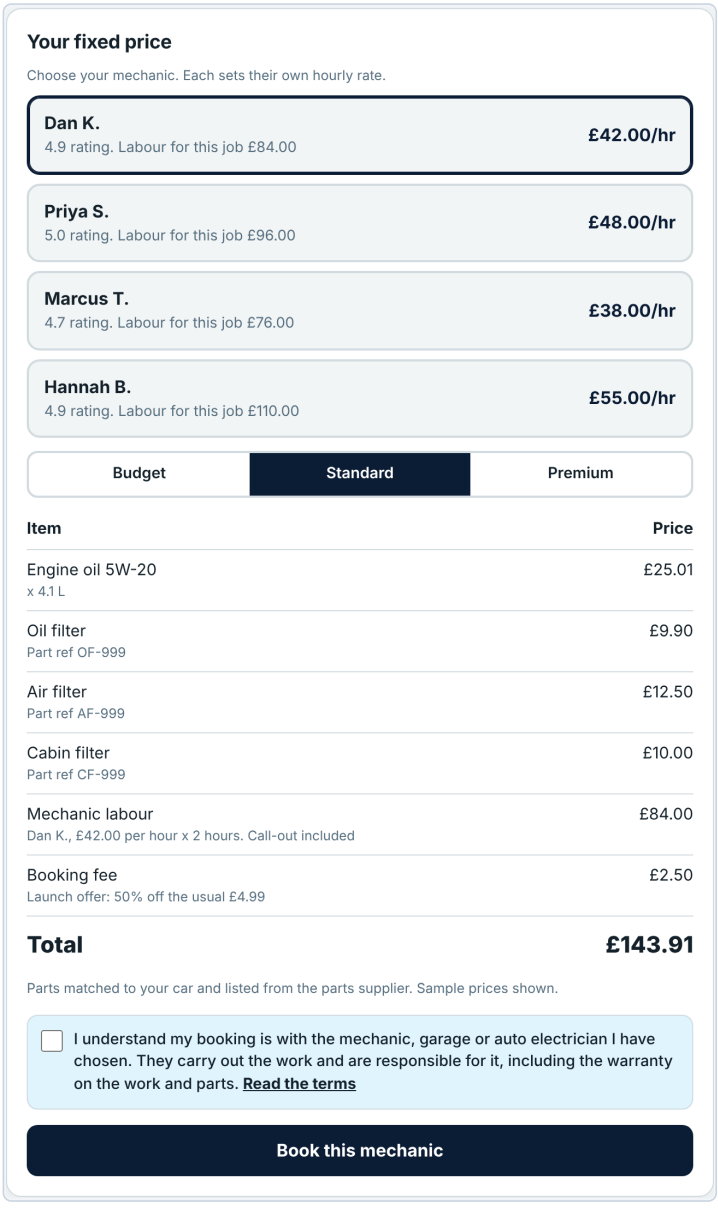

PROOFREADING NOTES

Register, full check and fixed price

Registered customers get a full vehicle check that confirms the exact model, engine and parts, then a fixed price from the partner they choose.

Free account sign-up with terms

Fixed price with partner choice

What is built

- Sign-up: name, email, mobile, postcode, password, terms acceptance and optional reminders
- Full check confirms model, gearbox, tyre size and parts
- 2 full checks per customer; each booking unlocks 2 more
- Parts priced in three quality levels, plus partner labour
- Customer ticks that the partner is responsible for the work and its warranty

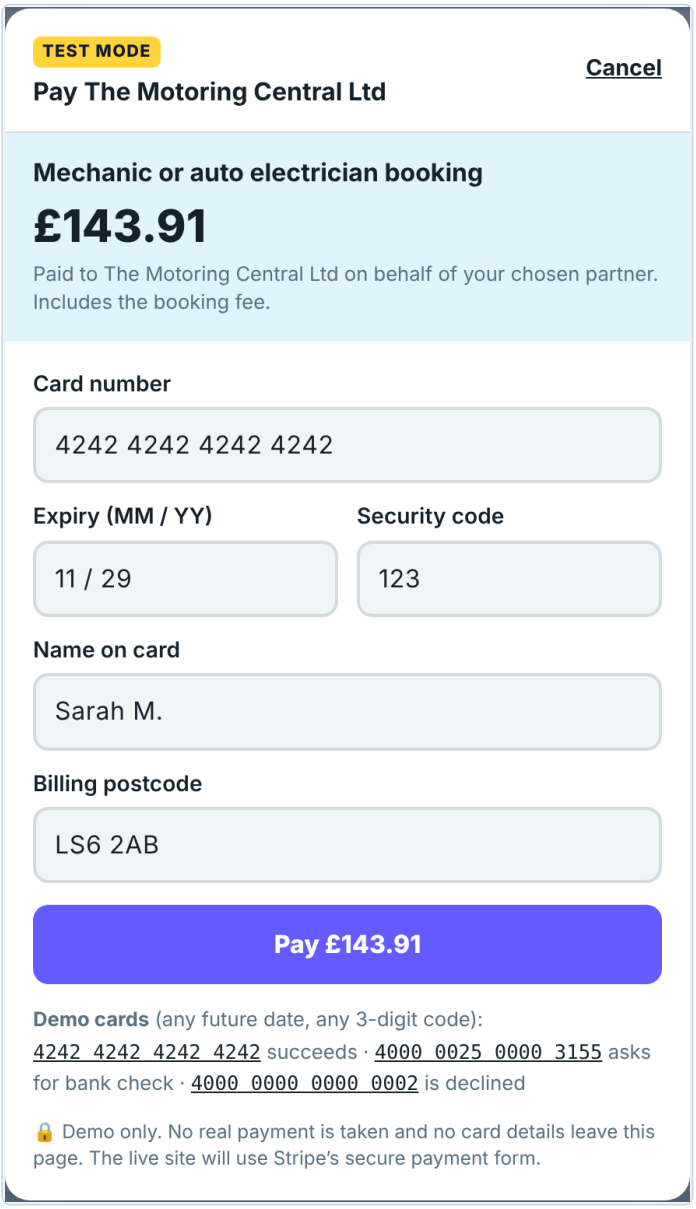

Why it matters for partners

- Every booking comes with the right parts identified for the car
- Customers are verified with contact details before booking
- Clear terms: the customer accepts your warranty, not ours

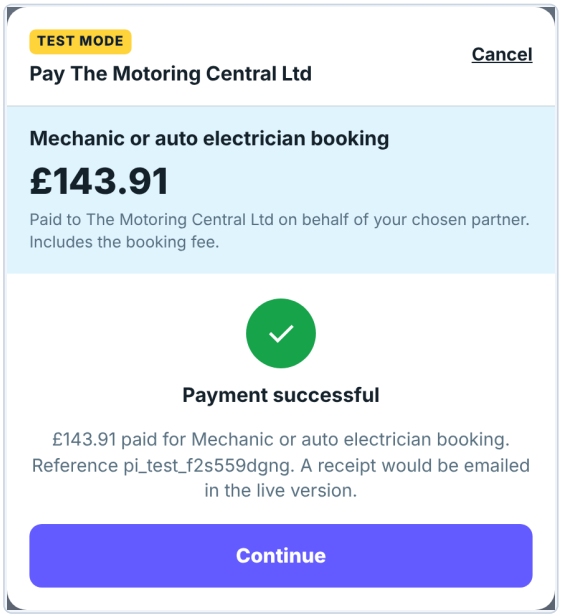

PROOFREADING NOTES

Secure payments and customer accounts

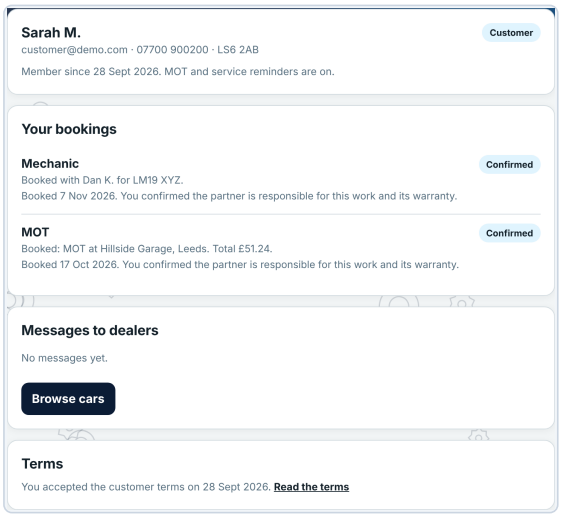

Customers pay by card when they book. The prototype shows a test-mode checkout; the live site will use Stripe.

Card checkout (test mode)

Payment confirmed

Customer account page

What is built

- Card checkout on every booking, delivery, dealer sign-up, Pro plan and paid trade listing
- Handles card checks, declined cards and bank verification
- Payment reference shown on success
- My account lists bookings, dealer messages and accepted terms
- Customer log in or register from every page

Why it matters for partners

- Jobs are paid up front: no chasing customers for money
- Payments are collected on your behalf and paid out weekly
- Full record of each booking and the terms the customer accepted

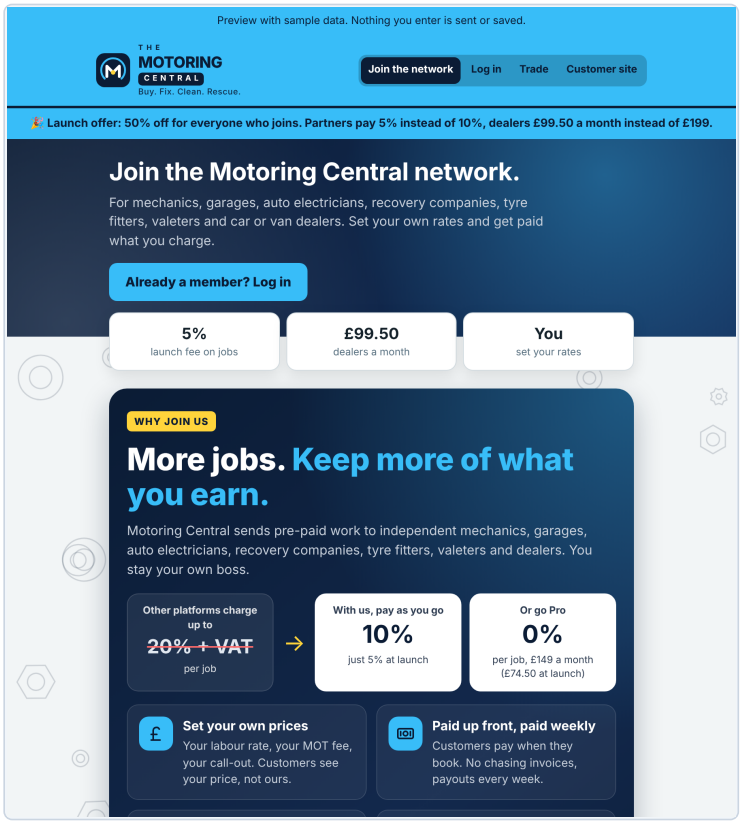

PROOFREADING NOTES

Why join us

A bold panel at the top of the Join the network page, built to win partners in seconds.

Why join us panel

Join the network page

What is built

- Headline: More jobs. Keep more of what you earn.
- Fee comparison: other platforms charge up to 20% + VAT; ours is 10% (5% at launch) or 0% on Pro
- Six reasons: own prices, paid up front weekly, free diary and stock tools, parts sorted, real partner team, no lock-in
- Dedicated partner manager on a direct line
- Launch offer: 50% off for everyone who joins

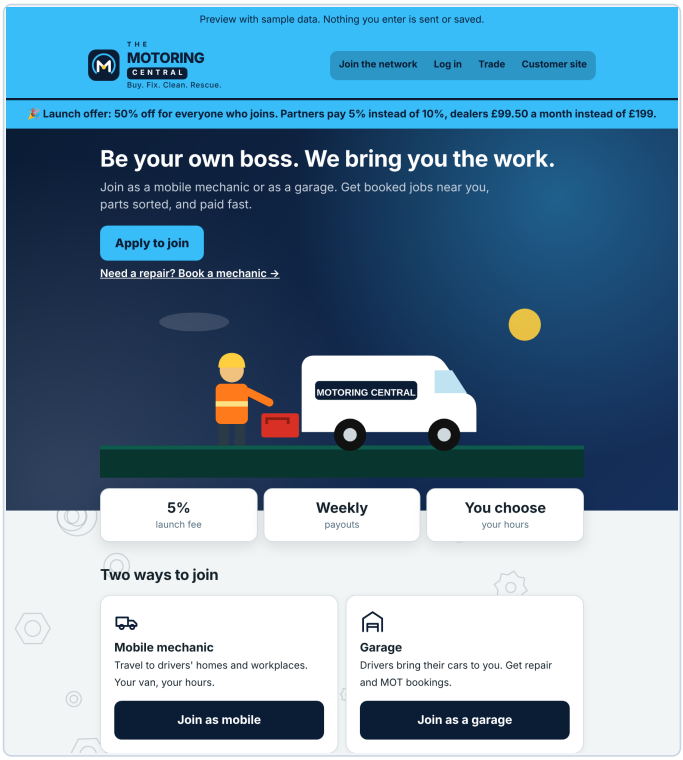

What it does

- Shows partners the money difference straight away
- Answers common worries: price control, getting paid, being tied in
- Sends them to choose their partner type and apply

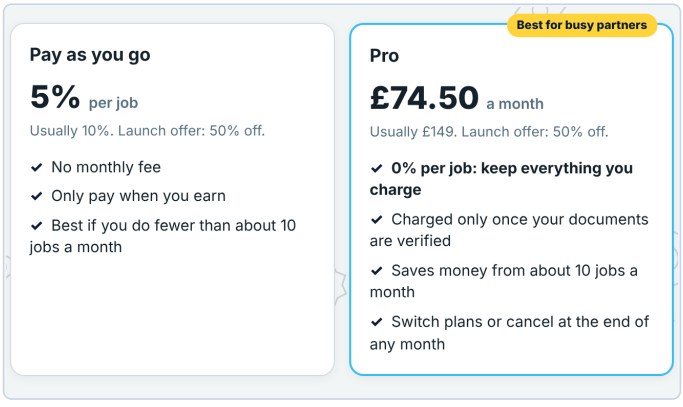

PROOFREADING NOTES

Mobile mechanics

Mechanics who travel to customers set their own hourly rate and receive pre-paid jobs with parts identified.

Join page for mechanics, garages and auto electricians

Choose Pay as you go or Pro

What is built

- Join page with earnings calculator and fee breakdown
- Sign-up: skills, qualifications, travel radius, vehicle, labour rate
- Required uploads: trade insurance, public liability insurance, photo ID
- Customers pick a mechanic by rate and rating
- Accepted jobs drop straight into the mechanic's diary

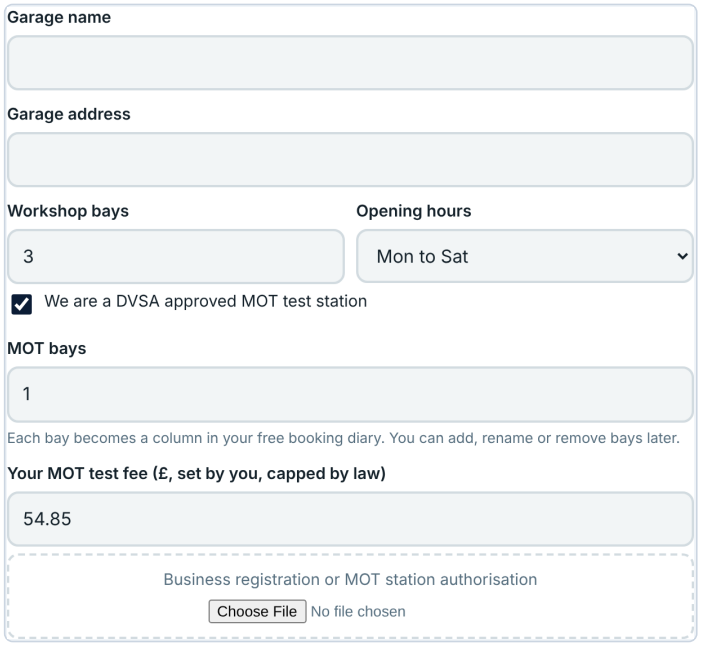

Partner potential

- Example: 10 jobs a week at £150 is about £6,500 a month in jobs
- Pay as you go keeps about £6,170 (5% launch fee)
- Pro keeps everything, for £74.50 a month (launch price)
- Parts identified and ready to collect from local suppliers

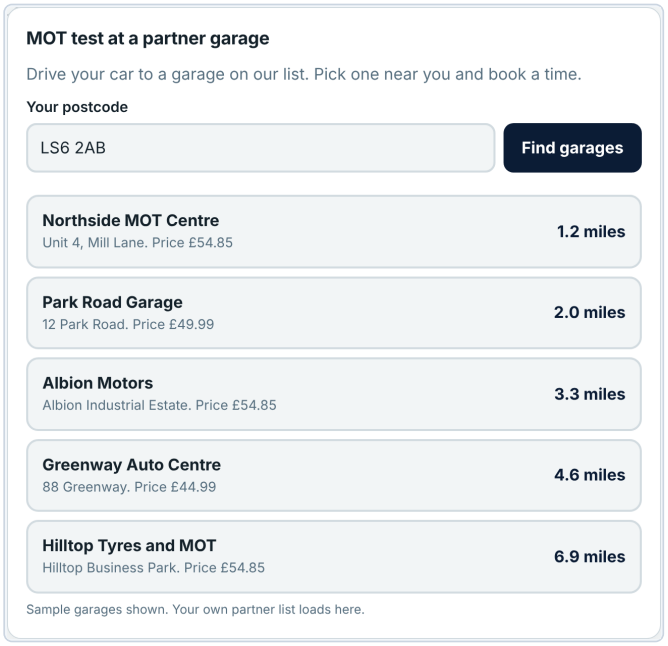

PROOFREADING NOTES

Garages and MOT centres

Garages receive repair, service and MOT bookings, set their own MOT fee and labour rate, and get a free booking diary.

Garage sign-up: bays and MOT bays

Customer choosing a partner garage

What is built

- Garage sign-up: name, address, workshop bays (1 to 12), opening hours
- DVSA MOT test station option with number of MOT bays (1 to 6)
- Garages set their own MOT fee, up to the legal maximum
- Customers compare garages by price, distance and rating
- Free garage booking diary built from the bays entered

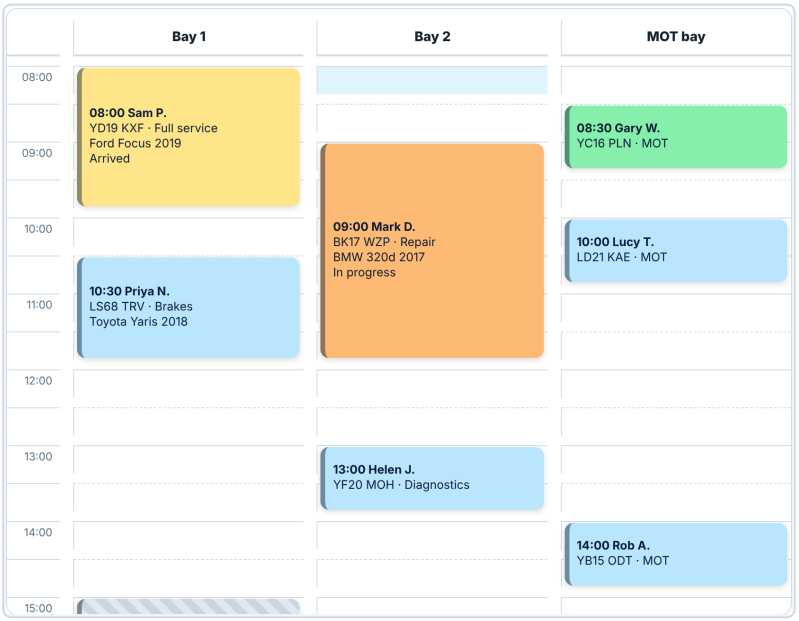

Partner potential

- Fill empty bays and quiet days with pre-paid work
- MOT bookings bring repeat customers every year
- Keep 100% of your prices on the Pro plan

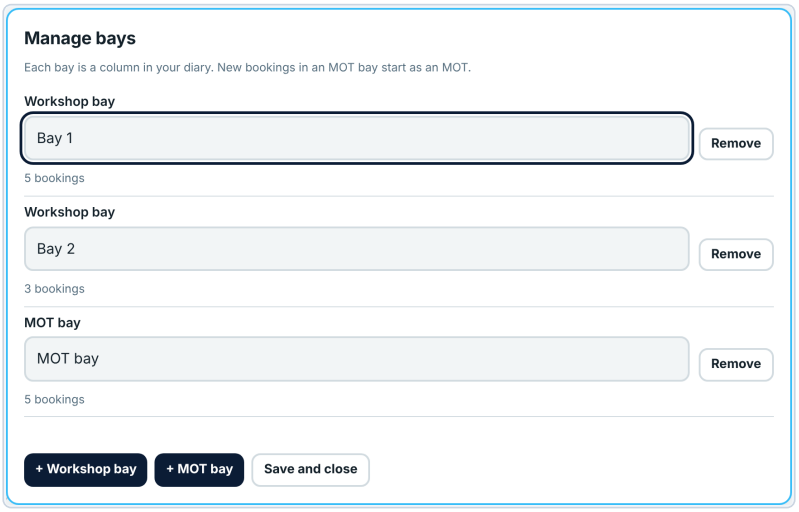

PROOFREADING NOTES

Garage booking diary

A free diary for running the whole workshop, not just Motoring Central jobs.

Timeline with a column per bay

Manage bays: add, rename, remove

What is built

- Timeline view, 8am to 6pm, one column per bay; week view with job counts
- Tap a slot to book: reg, vehicle, customer, job, price, notes
- Job status: booked, arrived, in progress, ready, collected; paid flag
- Block time, list view, search by reg or customer
- Clash protection; add workshop or MOT bays at any time

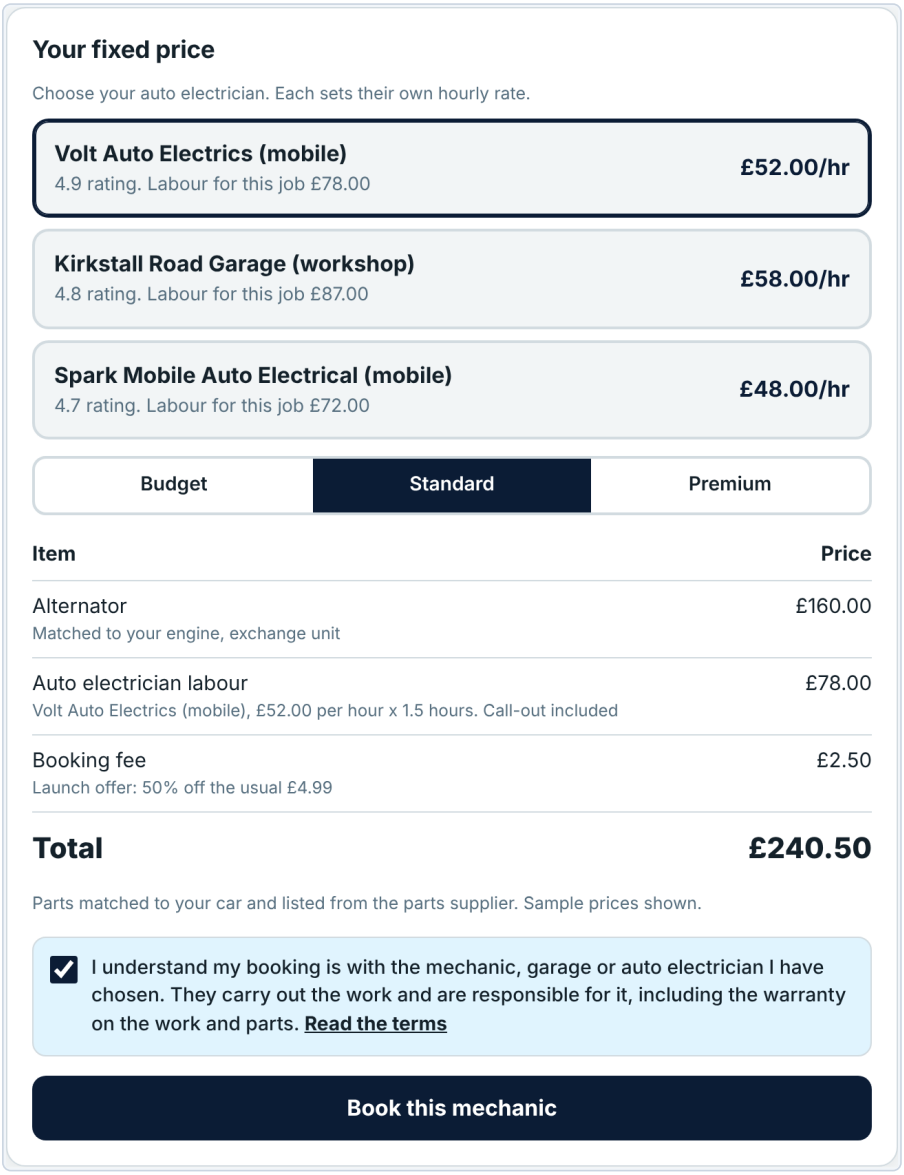

Why garages will use it

- Replaces paper diaries for free
- Marketplace bookings appear automatically
- Daily bookings, bay time booked and expected takings at a glance

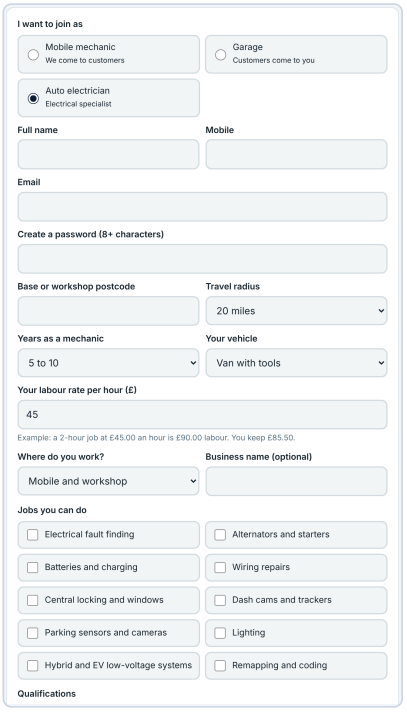

PROOFREADING NOTES

Auto electricians

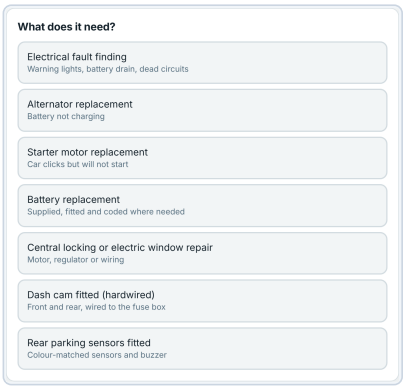

Specialists can join on their own, mobile, workshop or both, and garages and mobile mechanics can add auto electrics as a skill.

Fixed price with auto electrician choice

Auto electrician sign-up

Auto electrical services with "from" prices

What is built

- Customer option: Auto electrician, mobile or workshop
- Services: fault finding, alternators, starters, batteries, locking and windows, dash cams, parking sensors
- Sign-up as an auto electrician with work location and business name
- Specialist skills list, including hybrid and EV low-voltage systems
- Garages and mobile mechanics can tick Auto electrics

Partner potential

- Pre-paid electrical work, often booked in advance
- Accessory fitting (dash cams, sensors) is steady planned work
- Same Pay as you go or Pro choice as mechanics
